Surplus Federal Land Sought for Fairfax Park

The Fairfax County Board of with our stated national goals."
Supervisors yesterday asked that 330 aeres deelared surplus mitted to President Nixon, to the by the Bureau of Public roads be Sccretary of the Interior, the used for parkland instead of directors of the General Services

In a resolution approved unanimously, the county board took note of recent national policy park land. The board asked that adjoins the Turkey Run recreation wooded tract, which lies northwest of the CIA, be turned over to the Department of the Interior as public park land.

Supervisor Harrict F. Bradley noted in the resolution she introduced that the CIA has for many years been "an active and con-

structive neighbor to McLean."
However, she said, "use of the Bureau of Public Roads tract as an employmment center whether as an expansion of an existing use or the accommodating of a new one would be inconsistent.

being turned over to the adja-cent Central Intelligence Agen-cy. Administration and the Central Intelligence Agency as well as legislators representing northern

Virginia. A recent General Services Administration report listed the land as being in excess of the needs of the Burcau of Public declarations emphasizing pro-tection of the Potomac River banks and the need for public Roads. In addition to CIA, it
